# 1 Assignment 1

## 1.1 Negative of an image

```
a=imread('Lenna.png');  
figure  
[row,col,s]=size(a);  
imshow(a);  
for i=1:row  
    for j=1:col  
        for k=1:3  
            a(i,j,k)=255-a(i,j,k);  
        end  
    end  
end  
  
figure  
  
imshow(a);
```

(a) Original

(b) Negative

Figure 1: a normal and a negative image

## 2 Assignment 2

### 2.1 Plotting the histogram of an image
